White	0	0	0
International Student	0	0	0
Active-Duty Military	0	0	0
Veteran	0	0	0

With a Disability	0	0	0
-------------------	---	---	---

The following questions relate to data CACREP is gathering that will inform the development of new services, policies and/or requirements. This data will be aggregated and will not be identifiable to any program.

Does your counselor education unit operate on a cohort model?

Yes for the Masters program.

If yes, how many years are expected to complete your Masters program?

3 years

If yes how many years are expected to complete your Doctoral program?

There is no doctoral program.

What is the formula you use when you calculate program completion rates?

Our formula is the number of students who graduate divided by the number of students who began the program with the graduating class.

In calculating your completion rate, do you include students who:

- have withdrawn from graduate school completely?
- switch from one counseling specialty area to another (i.e., MCFC to CMHC)?
- transfer to another non-counseling graduate program?
- are dismissed from the program for academic reasons?
- are dismissed from the program for non-academic reasons?

Comments

We do not include any of the above students in our completion rate. The students who fit in the above categories are those who are part of our NOT completion rate.

What adjustments have you made to your program, if any, due to DEI requirements at your institution or in your state?

With the recent US Supreme Court ruling, we are working with the University Council to update admissions to be in alignment with federal law regulations. We are considering updating our written essay questions to encourage applicants to reflect of their personal experiences with diversity. No changes have currently been made but we are working on best demonstrating commitment to equity and inclusion. We are committed to DEI work.

Which existing CACREP services do you find valuable?

Resources on the CACREP website
CACREP Bulletin & Connection
Legislative alerts
Notice of Federal grants
Designated staff point of contact.

Which potential CACREP services would you find valuable?

Faculty job board
CACREP-only sessions at conferences
Virtual drop-in office hours with CACREP staff
Accredited-programs-only resources on the website (sample documents, teaching aids)

Please provide the name **and contact email address** of the person completing this survey. This address will be used if the CACREP office has any questions about the information provided in this survey.

Jennifer Gess gessj@seattleu.edu

Final comments? Please share them below:

Thank you!

REMINDER: Programs/Student Outcomes must be made publicly available on your program's website. The information to be posted includes the following four data points regarding each of your accredited specialty areas:

(a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a URL link to your completed Vital Statistics Survey report will satisfy this requirement.

Once this data has been posted, send the URL link to the location on your website via email to cacrep@cacrep.org. If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the URL link to the outcomes report changes when you update this information, you need to send a copy of the new URL link via email to cacrep@cacrep.org.

You will NOT have an opportunity to receive a copy of your completed survey later. If you want a copy of your completed report, please ensure that you click the arrow at the bottom of the page and download the PDF.

I understand I need to download a copy of the completed survey for my own records.
