

**HIGH
IMPACT.**

HIGH NEED.

DESIGNED FOR CLASSROOM TEACHERS TO MEET THE NEEDS OF TODAY'S STUDENTS

Earn your ELL or Special Education endorsement online!

Add one more year for a master's degree in Educating
Non-Native English Speakers or Special Education

- 0 Both two-year master's programs build a strong theoretical knowledge base
- 0 Assemble a practical toolkit you can use in your classrooms right away
- 0 Become an expert and a leader in the teaching and learning of ELL or Special Education students
- 0 Experience collaborative and rigorous instruction and learning with a focus on social justice
- 0 Access our completely online endorsement program from anywhere in the state
- 0 Enjoy the flexibility that comes with asynchronous sessions
- 0 Gain knowledge and expertise in a high-needs area of instruction
- 0 Increase your marketability in the teaching profession
- 0 Our collaborative, flexible master's degree programs are designed for the working professional

By combining our endorsement and master's program, you'll earn your MEd for much less! Retooling dollars may be still be available.
