Petition for MSCS Transfer Credit

Instructions:

This is a petition to apply previous graduate-level coursework toward the MSCS degree. At most two courses (up to 10 credits) can be waived. Fill out a separate form for each course for which you are requesting transfer credit.

The following restrictions apply:

1. The course must be listed at the graduate level, and the applicant must have had graduate standing at the time they took the course
2. The course must be listed on the applicant's application
3. The course grade must be B or better (3.0 or higher)
4. The course must have been taken within the last 5 years
5. There must be a course in the MSCS curriculum with substantially similar content
6. You must attach to this application a syllabus and/or course material that has enough detail to determine whether the course can substitute for an MSCS course

Please send the completed form and any supplemental material to dnash1@seattleu.edu
