

## First Month: Moving Expenses

Identify your first month (moving) expenses. There are always more expenses in your first month than in a typical month thereafter, so you should consider most of these one-time expenses.

| First Month's Expenses      | Details  | Amount (\$) |
|-----------------------------|--|-------------|
| Moving costs                | Movers, car/truck rental, boxes, packing supplies, shipping costs, taxi, etc.  | \$          |
| First month's rent          | As stipulated by your rental agreement.  | \$          |
| Security deposit            | As stipulated by your rental agreement.  | \$          |
| Renter's insurance          |  | \$          |
| Utilities account setup     | PG&E. Depending on your credit history, setting up an account may require a deposit.   | \$          |
| Phone connection (landline) |  | \$          |
| Cable TV connection         |  | \$          |
| Internet connection         |  | \$          |
| Parking                     | Fees for parking in paid lots, additional rent for garage, or fees for a city-issued neighborhood parking pass.  | \$          |
| Furniture                   | TV, sofa, coffee table, kitchen table, chairs, desk, dresser, armoire, bed frame, mattress, lamps, etc.  | \$          |
| Linens and towels           | Bed sheets, blankets, comforter, bath towels, washcloths, kitchen towels, etc.   | \$          |
| Bathroom essentials         | Shower curtain, bath rugs, hygiene products, dental products, eye products, skin products, plunger, etc.   | \$          |
