

BOUND BY BLOOD

DONATE AS ONE

schedule.bloodworksnw.org

Lead by example. Give blood. Impact our community.

The COVID-19 pandemic has rocked our community and left our public health system scrambling to ensure the safety of patients and the stability of our blood supply. **We have an urgent need for blood donors.**

Seattle University is leading by example and sponsoring a virtual blood drive between Sun Oct 4 and Sat Oct 17

We are challenging you to be a **Life-Saving Hero** and donate between **Oct 4 – Oct 17** at any donor center or Pop-Up and make your impact count.

We hope to reach a goal of finding 50 donors during this 2 week time frame!

Step 1. Make your appointment today. Find a temporary [pop-up](#) location or [center](#) or call **1-800-398-7888.**

Step 2. On the day of your donation, let the registrar know (when you check in) that you are donating on behalf of Seattle University.

For more information or questions about eligibility, please visit BloodworksNW.org

Register (check in) under Seattle University and provide code "SEAU" when you arrive to your appointment.

Bloodworks has implemented increased safety and social distancing measures in compliance with all local and state recommendations to ensure that the critical act of donation experience is as safe and pleasant as possible. All donors are required to wear masks or face coverings at their donation appointment. Please bring your own mask. For more information, visit bloodworksnw.org/coronavirus.
